CIVIL ACTION NUMBER 13,578

SETTLEMENT STIPULATION

I

In December of 1969, the above-entitled action was initiated in the Federal District Court for the District of Connecticut. The Plaintiffs' complaint alleged inter alia, that the Defendants have carried out an improper pattern of conduct directed at the plaintiffs and members of their class solely on account of their race or ancestry.

Following the institution of this action, counsel for the Plaintiffs and Defendants have engaged in extensive negotiation and discussion of the Plaintiffs' cause of action and prayer for relief. This stipulation is the result of those negotiations, and the Plaintiffs and Defendants agree that a consent Judgment shall enter in accordance with the provisions of the Federal Rules of Civil Procedure. The Plaintiffs shall not be charged with costs in this action. The Consent Judgment is made in light of the facts set forth in Section II.
